Project: Unit Certification Capstone C200 (1)

Dear Mr. Don Ayers,

according to your order from 15.07.2014 via TÜV Rheinland Italia S.r.l. (Order No. 8736564_Items20/40/60) we confirm the order to create a unit certificate of the CHP C200 (C600, C800 and C1000 includes 3, 4 or 5 CHP of the Type C200). Please see the order confirmation No. 214204E.

On 15.12.2014 we got the Test Report after performed Measurement of the electrical properties and LVRT capabilities via TÜV Rheinland Italia S.r.l.. On 18.12.2014 we got the simulation model via TÜV Rheinland Italia S.r.l. After checking and evaluating the test report and the simulation model we will look ahead to start the plausibility tests and simulation model validation according to the TG3 Test Report.

Kinds Regards
